Maritime travellers

Instructions No. 2558

Difficulty: Beginner

Working time: 3 Hours

These two travellers are having a good time at the beach. At the Aloha Bar they enjoy cool drinks while listening to the sea.
Create a maritime holiday scene for your home and bring that beach feeling into your home.

Design figures

First paint the figures with craft paint. In our example, one figure has a light blue bathing suit and the other a red bikini. For the bikini top, paint two wooden hemispheres in crimson. Let the paint dry completely.

Paint on the faces and other details, such as bikini straps, with a fineliner.

Glue a straw hat on each head, fix the bikini top and a satin rose to one hat. Use hot glue.

Make a pennant chain

Paint three wooden balls with craft paint and let them dry. We used turquoise blue.

Label the pennant chain as desired with a fineliner. In our example, the chain was completed with the inscription "Aloha Bar".

Fix the wooden balls to bamboo skewers at the top and then fix these to the tree disc with a little hot glue. Then knot the labelled pennant chain to the bamboo skewers.

Finish the miniature holiday scene

Spread the coloured sand on the tree disc and arrange the made holidaymakers as well as various miniatures such as bottles and wooden boxes on it. Your little holiday scene is already finished.
