Bunny jars

Instructions No. 2382

Difficulty: Beginner

Working time: 3 Hours

Do you want an original gift wrapping for your Easter presents? Then these bunny jars are just the thing! They are beautiful as decoration and inside the jar there is plenty of space for treats or small gifts.
The jars are also wonderful as a small gift for Easter brunch. This way you can provide a bunny jar with a name for each guest on the Easter table.

Make original gift boxes for Easter:

1. Cut white foam rubber to approx. 19 cm long and 5 cm wide.

2. The cut foam rubber can now be decorated with craft colours. For example, paint little dresses, dungarees or an apron.

Tip: The wide end of a bamboo skewer can be used to stamp flowers or dots onto the foam rubber. To do this, simply dip the skewer in some craft paint and then press it onto the desired spot. 3. After the paint has dried, glue the foam rubber around the glass with hot glue. It is important that the hot glue is applied to the glass and not to the foam rubber, otherwise the rubber can melt!

4. Use a marker to decorate the edges of the clothes.

5. Print out the free template, transfer the motifs to foam rubber and cut out everything.Glue the ears (A + D), feet (B) and whiskers to the glass or the large wooden ball. It is best to use craft glue.

Also fix the wiggly eyes, buttons and pompoms with a little glue. Decorate the bunnies with bows or flower tendrils as desired.

6. Stick the designed bunny head onto the lid of the jar with hot glue.

7. Now the bunny jars can be filled with various treats or small gifts.
