Clay pot gnome

Instructions No. 2626

Difficulty: Beginner

Working time: 2 Hours

These **cute gnomes** are easy to make with just a few materials. With **clay pots** and **paints**, you can make these cute creatures in no time at all.
The clay pot gnomes can also be made with children - a great idea for an afternoon of crafting together in the wintertime.

This is how the cute pixies are made:

Paint the **clay pots** in the sizes 6 cm, 5 cm, 4 cm and 3 cm for the caps with your favourite **VBS Chalky Outdoor colours**.

Now glue the clay pots on top of each other with **craft glue**. Let it dry thoroughly.

Cut the beards for the gnomes out of the **plush** and glue them onto each 8 cm pot (opening pointing downwards).

Now you can glue the finished hat onto the large pot. The VBS craft glue No. 182 is best suited.

Finally, glue the **wooden hemisphere** as a nose and the felt balls as a **pom-pom** on top of the hat.
