Glass plate with candles in country house style

Instructions No. 979

A quick and stylish way to present candles in a classy way. Without much effort you can make this arrangement in country house style with some materials. The large candles and the rustic Jute ribbon form the ideal contrast to the filigree glass plate and the allium. Under instruction980 you will also find the wreath perfectly matched to this decoration.

And it's as simple as that:

Wrap brown and white Jute ribbon around the candles and fix the ends with hot glue. Wrap the felt cord over them and fix them as well. Spread decoration - Willow on the plate and decorate the candles on it. Remove the stem of the Allium flower and place it decoratively in the middle of the candles.
