

Anleitung: Sommerliche Papiergarn-Teelichte

Instructions No. 1314

With only little effort you can **crochet summer tealights** with the help of this instruction and with **paper yarn**.

Here's how it's done

In the 1st round 19 stitches are crocheted to an **air ring** , closed with a warp stitch to the round.

The Wind light is crocheted in spirals. In the 2nd round a firm stitch is crocheted in each stitch of the preliminary round. This is repeated four times, the last round is finished with a warp stitch.

Finally, **decorate** each tea light with a daisy flower.
