Bastelset Pyramidenarmband

Instructions No. 976

Have you always wanted to create a Bracelet yourself? We show you how. This set contains all the components and makes it easy for you to create your very own unique piece. Thanks to the high-quality beads and the elastic ribbon you will enjoy your new piece of jewellery for a long time.

And it is as simple as that:

Take the thread twice and thread one end each through one opening of the pyramids-Pearl., wind up another Pearl like this and then two small beads per thread, before two more pyramid beads follow. Continue the pattern until you have reached the desired arm circumference. Pull the beads into the middle, cut the beginning of the thread, knot the ends together and shorten the ends.
