How to sew your own small felt bag

Cutting to size
Rectangles measuring 28 cm x 25 cm are cut from each of the two decorations-Felt sheets . Two more Felt sheets in matching colours are also cut to this size.

The single-coloured Felt sheets ones are then glued onto the back of the decorative felt. Use wood glue for this. The boards are laid on top of each other so that the plain Felt sheets only ones can be seen from the inside.

Sewing
In the next step, the sewing machine is used to sew feet wide along the two long and the short edges. Cut two approx. 24.5 cm long and 1 cm wide strips from the plain Felt sheets and glue them to the upper edge of the sewn bag. Cut out the Bag closure and glue it in the middle. Attach the self-adhesive Velcro strap inside to the edge of the bag opening, finally attach the loop and the flap to the bag.

Dear sewer, as fabrics are seasonal goods and we always want to have trendy fabrics in stock for you, it can happen that the sewn fabric is no longer in our range.
