

# Deco- & lanterns with driftwood

Instructions No. 1601

🔪🔪🔪 Difficulty: Beginner

🕒 Working time: 30 Minutes

Create beautiful maritime tealights or lanterns with a few simple steps. With Driftwood, with fairy lights and maritime accessories you can make the decorations in a short time.

## Lanterns with Driftwood

1. With the help of a **hot glue gun**, stick Driftwood on the glasses.
2. A **Cotton cord** will make your glasses more beautiful. You can wrap and knot them around the glasses as you wish. Fix with hot glue if necessary.
3. Finally, you can **attach** diffusers to individual glasses.

Quick and easy to create a pretty decoration, ideal also as a guest gift.

## Video-Tutorial für die maritime Teelichtgläser

Gestalten Sie mit wenigen Handgriffen schöne Teelichte oder Windlichter. Mit maritimen Accessoires werden die Teelichter zu einem richtigen Deko-Highlight. Wir zeigen Ihnen in dieser Schritt-für-Schritt-Anleitung, wie Sie die Teelichter mit Treibholz gestalten können.

# Message in a bottle with light

The bottles are dabbed with **ceramic paste** . This later creates the "milk glass effect" on the illuminated bottles. After drying, a second layer of paint is applied to the lower half of the bottle Patina Wax patched. This gives a look like "with Sand irradiated"

Bottle neck or bottle base are irradiated with **Jute yarn** wrapped and decorated with maritime accessories such as grit or flotsam further , then only will hang a chain of lights in each bottle.
