DIY Valentine's ribbon

Instructions No. 3196
Working time: 30 Minutes

Are you looking for a creative and personal gift idea? Then why not make a unique love necklace! With pretty letter beads, itoshii beads and hearts, you can create a personalized friendship bracelet that is guaranteed to come from the heart. Let yourself be inspired and get started!

Select and arrange the beads
Place the beads in a row in front of you. This way you can see how they will look later on bracelet . Experiment with different colors and shapes - maybe combine heart-shaped heart beads with special letter beads beads for a personal touch!

Cut the elastic cord to size
Cut the Magic Stretch elastic cord to the length of your wrist. Make sure that the cord is not too short - it is better to cut it a little longer and adjust it later.

String the beads

Now you can thread the beads onto the cord in the order you like. Take your time to combine the colors and patterns well - after all, it should be a very personal gift!

Knot and adjust

Now knot the two ends of the elastic cord firmly together so that the beads are secure. Tighten the knot well so that it doesn't come undone.

Wrap and give as a gift

For the packaging, cut a piece of textile felt and place it in the folding box VBS-Square with heart" folding box. This

gives the gift a special touch and ensures that it is securely and beautifully packaged.
