Easter miniature landscape

Instructions No. 2976

Difficulty: Beginner

Working time: 4 Hours

Bring your own little Easter world into your home. Use our miniatures to create a miniature Easter landscape that will be a great eye-catcher in your home.

Use a **cutter knife** to cut off the raised section inside the **polystyrene eggs** with a cutter knife. Then paint the outer areas, the edge and part of the inside of the egg halves with **VBS handicraft paint**. Stabilize the egg halves by attaching 4 wooden balls along the outer curve with hot glue.

Fill the inside of the eggs with **flower arrangement foam**which you cut to size with a **cutter knife** to create a flat surface. Use a plastic spatula to spread **decorative snow** for the future vegetable garden. Use the spatula to form rows in which the **scatter decoration carrots** will later be placed. Let it dry and then paint it with **gray-brown** and **black VBS handicraft paint . Stick the scatter decoration car** rots into the bed and glue the **VBS log fence** around them. Trim the end of the fence with a **side cutter**. Fix the **sheet moss** with **hot glue** and attach the **garden tools**, **figures** and **daisy flowers** with **hot glue** too.

Cover the other half of the egg completely with **sheet moss** and fix it in place with **hot glue**. Build a **swing** and a

seesaw from **wooden spatulas** and **yarn**. Glue **chenille chicks** to the swing and seesaw with hot glue. Add **daisy flowers** and **rabbits** to the moss. using **hot glue**. Finally, attach the section of fence to the edge of the egg half as a "rope ladder".
