Folding a Fröbel star ball

Instructions No. 2900

Difficulty: Challenging

Working time: 2 Hours 30 Minutes

In this tutorial we show you a beautiful **variation** of the **classic Froebel star** - a **Froebel star ball**. A beautiful Christmas decoration! This is made from the basic Froebel shape. We show you how to make it in a step-by-step tutorial.

This is how the Fröbelstern ball is made:

Fold the **Fröbel stars** according to the instructions. You will find these on the packaging. All stars have only on one side with the **3D lace**. You need 6 Fröbel stars for the Fröbel star ball.

Folding instructions for the stars:

Take the finished Fröbel stars, pin and fix them using our photo instructions:

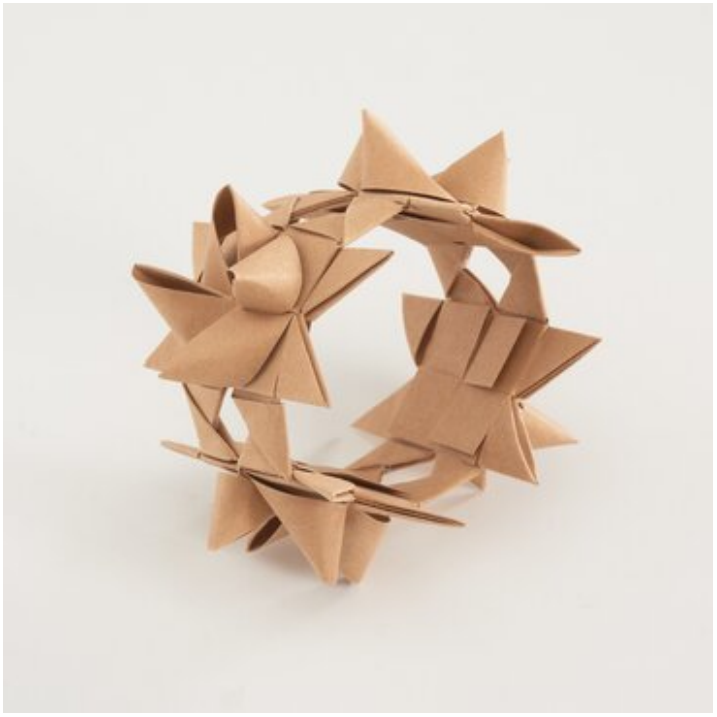

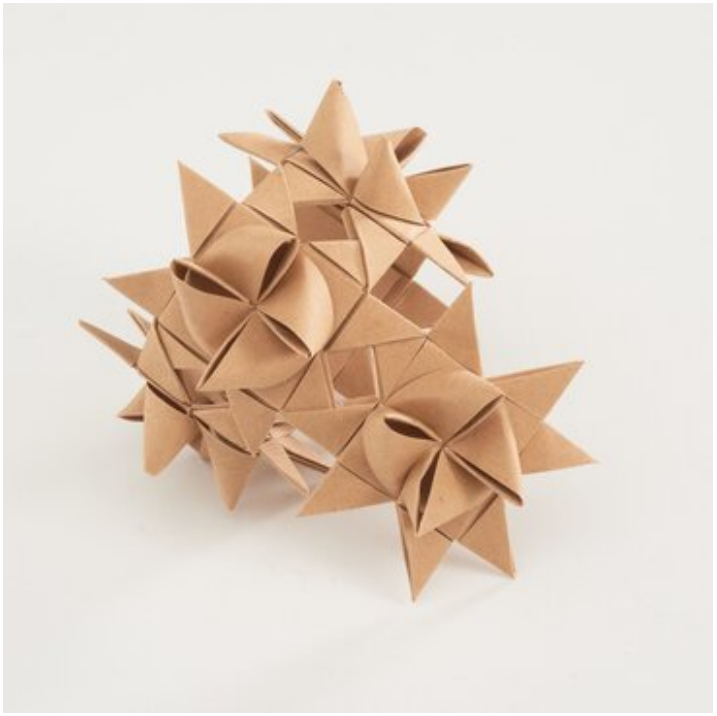

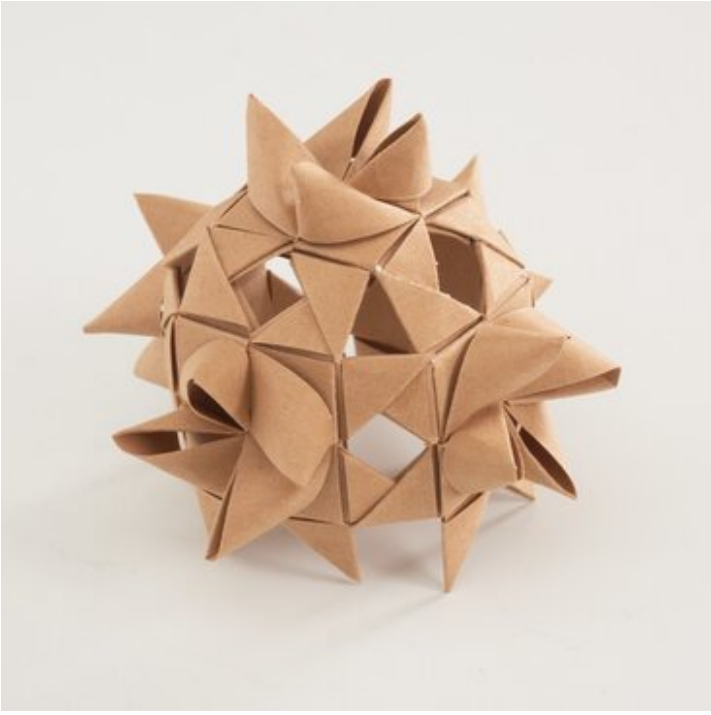

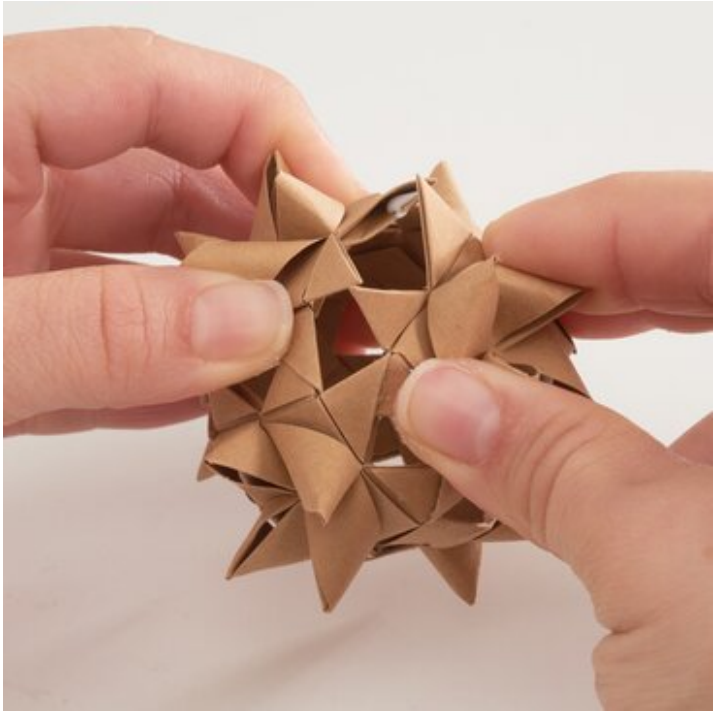

For the **suspension**, cut a long piece of the **Perlon thread** and pull up a pearl . Fold the thread in the middle and pull it through a sewing needle. Now stitch it through the center of the star to create the suspension.
