

Funkelnde Weihnachts-Teelichter

Instructions No. 1857

Difficulty: Beginner

Working time: 20 Minutes

Are you looking for a turbo craft idea for the Christmas season? This tealight quartet is created with only little material in a short time and is afterwards a warm and noble light source.

The dried tea light glasses are now surrounded from the outside with a narrow strip of double-sided on the Adhesive tape upper third and then wrapped with a jute cord on top. Small stars or others Embellishment can also be fixed with the adhesive tape

The glasses are each equipped with an LED [tea light](#) and are placed in the wooden box with fir branches and berries as decoration.
