Instructions No. 998

Milk churns are a popular accessory in the country house decoration. You can use them wonderfully as a vase with fresh flowers from your garden or as a decorative holder for your kitchen utensils in your kitchen. Decorated with this fresh natural motif, this jug will soon become indispensable in your country house kitchen.

And it is as simple as that:

Prime the pot in white and let it dry. Cut out the motifs and borders from Napkin and glue the upper, printed layer of Napkin with Napkin varnish onto the jug. Let everything dry well.
