The **lucky dolls** are a lovely handmade **gift**. Or you can treat yourself to one of the cute pendants. You can make each doll individually and design it according to your wishes. Attached to a key ring, you can always carry them with you, on your rucksack, bag or key ring.

It's as simple as that:

Draw a heart with a **marker** draw a heart on the **wooden ball** "Ø 20 mm". This heart is a nice decoration on the "belly" of the lucky charm. With a little **handicraft glue** fix the wooden head with face to the ball with heart. Make sure that the holes are on top of each other so that you can thread a cord through them later.

Cut approx. 25 cm off the **micro-macramé-cord** . **Double the cord** . Tie the ends with a double knot. Pull the loop through the hole in the wooden balls. Take any letter beads and pull it onto a cord. You can now pull both loops through the **key ring**.
