

Miniature door with dwarves

Instructions No. 2847

Difficulty: Beginner 🍷🍷🍷🍷

Working time: 3 Hours

Are you still missing a **cute summer decoration**? This idea with a **miniature door** is beautiful to look at and really makes a statement with the **gnomes**. The door is painted and embellished with some accessories. Very easy to make.

This is how you create the cute scene:

Paint the **miniature door** with the colour of your choice. We chose orange **VBS craft paint**. When dry, shade with the **Stazz On ink pad** and a dry brush.

Cut the **wooden sticks** and glue them together to make a staircase. Hot glue Iceland moss and flowers like daisy blossoms to the edge of the door.

Cut the corrugated **cardboard** blank for the stand to the desired size. Glue the **grass mat** onto it with craft glue. Glue the designed door onto the grass mat with hot glue and fix Iceland moss to the sides of the stairs. Attach the garden gnomes and daisies with hot glue as well.
