Miniature Scene: "Oh Christmas Tree"

Instructions No. 4150

Difficulty: Beginner

This enchanting elf idea was created in collaboration with **ANNA magazine**. It's based on the "Reading Nook" miniature scene —there you'll find the foundation for the cozy elf living room. For the "Oh Christmas Tree" scene, very little changes, because the elf was especially hard at work overnight and decorated his home for Christmas.

Here's how to decorate the elf's living room for the holidays

First, place the **candle arch** on top of the small cabinet and complete the scene with a **chain of light**. This immediately creates a warm, festive atmosphere. Then the elf fetches his **wooden train set** from the basement and lets it run around the Christmas tree.

The elf's door gets a new look, too: Hang a small **Christmas wreath** on it and swap out the curtains for festive ones.

For even more coziness, you can put Christmas-themed covers on the living room pillows.

Of course, the crocheted Christmas tree is a must-have. You'll find the pattern for it—and for the cute dog—in **the ANNA's Wichtelwelt booklet**. Maybe the faithful dog helped the elf with the decorations and is now sitting proudly next to the tree?

With just a few new touches, the elf's reading nook transforms into a beautiful, Christmassy living room—a real sight to behold!
