

Mixed Media-Keilrahmen "Timeless"

Instructions No. 640

Timeless **mixed media art** can be so beautiful: The mural "Time" will surely still please you even after years. The tutorial describes how paint and stencils, papers and combined with each Metal accessories other create an exciting complete work

And so it goes:

Paint the different **letters** Acrylic paint in warm tones according to your taste
Place them Stencil on individual letters, take up some paint with a stippling sponge and carefully stencil on the motifs. Stencil Then remove them immediately and clean them under running water.
Glue other **letters** with decoupage motifs, remove any excess with a scalpel after Paper drying

The large and Painting board some of the small **Painting boards** vanilla yellow or prime with metallic colours. Then stencil Stretched Canvas various clocks with **acrylicMetallic paints on** the stencil. Also stencil or wipe on the watches Painting boards with brown Acrylic paint or metallic colours, let them dry (also here after each process which clean Stencil immediately).
Stick **decoupage-Paper** on some Painting boards of them

Now glue Stretched Canvas the Painting boards staggered and in different distances on the, using the punched part**"Inchies"** as **spacers** on the back of the. Glue the large MDF letters to the upper edge of the stretcher frame Glue two clocks from the decoupa sheet to cardboard and cut them out. Glue one clock behind the writing, insert the second one in the picture

Finally, arrange Stretched Canvas and stick**numbers and clockworks** as decorative accessories on the
