Owls made from cones on a birch slice

Instructions No. 2840

Difficulty: Beginner

Working time: 1 hour 30 Minutes

Who is that looking at us from the branches? Two cute owls made from cones and felt. By arranging scatter pieces, leaves, twigs and other decorative elements, you create a beautiful picture.

This is how you make the picture with the owls:

Download the **templates**, print and cut them out. Then transfer the motifs to the desired **felt**.

Cut out the wings, eyes and brows and stick them to the cones using **handicraft glue** to the **cones**. The **wobbly eyes** also with **handicraft glue** to attach them.

Attach a picture eyelet to the back of the **birch slice** for hanging.

Arrange the owls and leaves on the front of two birch twigs, decoration willow, and glue with hot glue.
