Folding origami butterflies: Creative decoration made easy

Would you like to spice up your spring and Easter decorations with a special eye-catcher? With our simple steps, you can fold beautiful origami butterflies from Paper . These versatile works of art are perfect for decorating flower arrangements, bouquets, gifts and place cards. Let your creativity run wild and decorate your living space with

enchanting Paper-butterflies!

Select and prepare the material

Before you start, choose your favorite paper. We recommend origami paper. You can also use thicker Paper . It is then advisable to use a folding bone . This allows you to fold the edges particularly neatly. Make sure that your Paper is square. You can either cut it to size yourself or use origami paper.

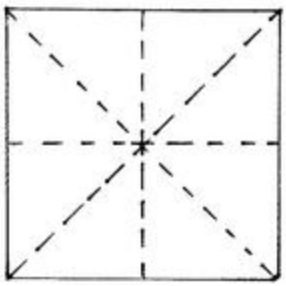

Folding instructions: step by step

Step 1: Preparation

Place the motif side of the paper face down.

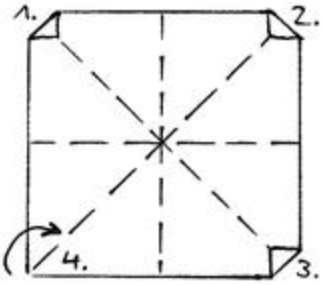

Step 2: Fold the cross and diagonal

Fold a cross and a diagonal into your paper Paper.

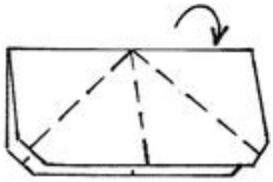

Step 3: Fold in the corners

Now fold the corners into the middle.

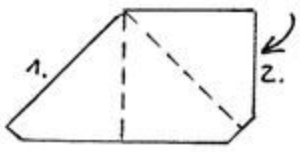

Step 4: Fold Paper in half

Fold the Paper in half.

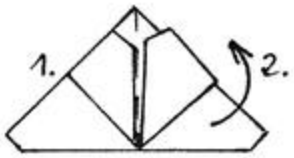

Step 5: Form a triangle

Fold the corners inwards to form a triangle. Make sure that the triangle is smooth on both sides.

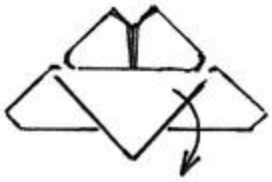

Step 6: Fold the side wings

Fold the resulting side wings up towards the center.

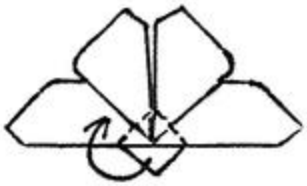

Step 7: Fold the tip

Turn the Paper over and fold the tip down over the edge. This should create a slight bend.

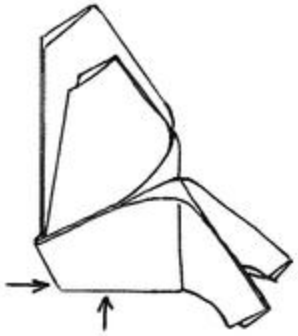

Step 8: Fold over and secure

Turn it over again and fold the protruding tip upwards. Fix it with glue.

Step 9: Shape the plastic edge

Folding the bottom edge gives your butterfly its three-dimensional look.

Completion

Congratulations! Your first origami butterfly is finished. You can now choose a different paper size to add a second butterfly. The three-dimensional effect is enhanced and you can let off steam creatively with the colors and

patterns of the **paper**. The finished butterflies from Paper can now be stuck to the clothes pegs. It's practical that the nostalgic clothespin already looks like a butterfly body.

With a little practice, you can become an origami pro and fold these beautiful butterflies in no time at all. A little patience is required at the beginning, but it's worth the effort! What occasions will you use your homemade butterflies for?
