This **country style chest of drawers** invites you to store your jewellery, small souvenirs and other treasures. With the romantic blossoms and butterflies, the country house style moves into your home

## And it is as simple as that:

Prime the chest of drawers with **Hobby Color** in white and let it dry. Cut the motifs from Straw silk paper and glue them onto the chest of drawers with Napkin varnish

After drying, simply trim excess material with a scalpel and paint the edges of the chest of drawers in turquoise blue

When everything is dry, wipe with the **Ink Pads** over the edges, this gives the chest of drawers depth. Finally, seal the entire chest of drawers with the varnish.
