

Stilisierte Engel aus Styroporformen

Instructions No. 697

Despite - or perhaps because of their stylized form, these angels will attract all eyes. For the dress fleece and on Straw silk paper are glued Lamp foil . Romantic crochet lace completes the look.

Here's [how it works](#)

The Lace of Polystyrene cone and a little of the curves of the balls with a long, sharp knife cut. Fix the balls on the cones with the help of toothpicks.

Prime the styrofoam moulds with a Paint sponge gold-coloured primer, after drying, apply a mixture of Gold and Brown .

Use the templates to make templates for the individual parts of the dresses and cut 8 times per angel from Lamp foil .

Peel off the protective foil and cover 4 parts with blue or light green Straw silk paper, 2 parts with brown organza fleece and 2 parts with organza fabric "Ornaments". Cut back excess material. With the Ink Pads wipe over the Straw silk paper and emphasize the structures, also wipe along the edges of all foil elements.

Place the pieces offset around the cone, fix the top and bottom with Pins .

glueCord and crochet lace around the foot, also some lace around the neck and a Cord as halo around the head.

Bend the flat wire along the template to form wings, joining the wire ends together.

Wrap a piece of wire around the middle of the wings, cut the end to a point and fix the wings in the body.
