Tableware with napkin technique

Instructions No. 2090

Difficulty: Beginner

Working time: 30 Minutes

When it is getting colder and colder outside, it is especially nice to make yourself comfortable inside and have a nice hot drink and some cookies with it. How about **drinking** your hot drink in your self-designed **cup**? With the **Napkin technique** this is easily possible and they can bring any beautiful motif on dishes. Also a great **gift idea**! About a self-designed cup, filled with a few cookies or other goodies, everyone is happy!

This is how the cups and plates are designed:

Preparation

Wash the dishes well or wipe them with glass cleaner so that they are free of grease and dust

Napkin technique

First cut the Napkin as desired and remove the unprinted layers of the For Napkin. those you Napkin technique need the printed only layer. Spread the cup with the Napkin varnish special for porcelain and place it on Napkin the coated area. Coat the motifs again with lacquer and let them dry. Carefully apply the lacquer from the inside to the outside. **Tip:** You can wipe off too much varnish with a cotton swab. However, you should make sure that the edges of the napkin motifs are well Napkin fixed, otherwise they may come off again after baking

Proceed in the same way with the plate. Make sure that you coat the motifs with the varnish over the edges as well. Burn them Napkin in as described in the product instructions. At VBS Napkins-Lacquer "glass & porcelain" the burning time in the oven is approx. 30 minutes at 160°

Food Clear varnish: safety

Finally the dishes are coated with the food Clear varnish safe lacquer. For cups and mugs we recommend Napkin not to stick them all the way to the edge, so that a drinking rim remains.
