

Traveler-Bag Paris

Instructions No. 955

This shoulder bag from Felt can be fantastically decorated and remains true to its material with the felt motifs. Let yourself be inspired, go your own way, maybe it will lead you to Paris? And then with this bag you have all hands free.

It is as simple as that:

Cut out the motifs from Felt and stick them onto the bag with the UHU Creativ glue. Apply with the Glitter - Liner squiggle and let everything dry. Decorate the felt motifs with the mini rhinestones and cut out small hearts and corners from the Felt, which you also fix on the bag.

This idea is timelessly beautiful!
