

Weidenkranz in frischen Farben

Instructions No. 506

This large, green wicker wreath is decorated with colourful felt flowers and twisted chip flowers. The bright colours are harmoniously complemented by the natural eggs and the twig.

Here's **how it works**

Cover the work area extensively, then prime the willow wreath on both sides with Deco Spray, covering both sides. Fix the willow catkin branch with hot glue, wrap the felt cord around the wreath.

Felt sheets Transfer the templates for the flowers to the wreath and cut them out, then glue them together with the flower pendants on top of each other.

Fix marabou feathers, chip flowers, bird's eggs and felt flowers with hot glue on the wreath.

Attach a suspension made of loop tape and fix Ribbon an additional loop from the rest over it.
