

Weihnachtsbaum Etagere

Instructions No. 881

This christmassy Etagere was festively staged. Arranged with all kinds of treats such as nuts, oranges or even Christmas cookies, it is guaranteed to be an eye-catcher for your loved ones.

And this is how it is done:

First, prime the aluminum sheet with white Handicraft paint and let it dry

Meanwhile, cut the Napkin and remove the two unprinted layers of paper.

Now glue the printed napkin layer with Napkin varnish into the inside of the Christmas tree as well as the motives for the decorations on the primed aluminium sheet.

Let dry well.

Then place the motif with the metal side facing down on

the special mat and draw the inner and outer contours from the

Follow the front side with the mini ball of the metal pressing tool.

Now cut out the motifs accurately and glue them with the

Front side on the special mat.

Now the form from the back with the big and small ball

plasticity.

Star and edges with Hobby Color- Gold paint, after drying

with the Ink Pads wipe over all edges to Etagere To give depth.

Glue the distinctive metal motifs to the floors with the hot glue and place the tape-Ribbon around the individual floors to fix the Lace ribbon.
