Instructions No. 1997

🖍️🖍️🖍️ Difficulty: Beginner

🕒 Working time: 1 hour

With **chalk markers** you can easily achieve beautiful effects on your window panes. Our **pattern** with **gnomes** conjures up a Christmassy picture on your windows. Beautiful to look at from inside and outside.

This is how the great window picture is created:

Chalk marker are super easy to apply and can be easily removed again. A damp cloth or glass cleaner is sufficient for this and you can already apply a new motif. Even small mistakes can be eliminated quickly

Before you start to paint, you should **Marker** shake well with cap closed. Pump the Marker with the tip down on a piece Paper until the paint flows into the tip

It is best to clean windows beforehand with **glass cleaner** and put on gloves so that you don't get grease stains on the windows when painting

While painting, it is advisable to have a lint-free cloth, cotton swabs and glass cleaner at hand so that you can immediately wipe away small mistakes

Also, if you are right-handed, it is best to start at the top left if you are right-handed, so that the motifs are not blurred again with the back of your hand when you paint. Left-handed people start to paint on the top right

Print out the **pattern** and stick it with a few adhesive strips on the back of the window. Now you can transfer the motif to the window using the above advice.
