KNOTS USED

Overhand knot
Lark's head knot

(see at the end step by step tutorials for these knots)

BEFORE STARTING

Cut the following:

- 1x 30 cm rope colour 00105
- 6x 90 cm ropes colour 00105
- 5x 90 cm Gold Metallic yarn colour 00300

STEPS

STEP 1. Fold the 90 cm ropes in half onto the wooden dowel and make reverse **lark's head** knots. Place the 5 metallic yarns in between each knot. Take the 30 cm rope to create the Hanging loop by using a **overhand knot**.

Step 2: Take the first 4 pieces of natural rope and create a **square knot** keeping the gold thread in between the knot. Leave the next Gold Yarn and start another square knot on the 3rd/4th yarn keeping the gold thread central. Repeat this on the next set of yarn.

Step 5: Take the outside rope and knot a Double hitch knot from outside in. Repeat on other side and join. Diagonally cut the ropes to required size.

Step 3: Create another square knot in between the first line incorporating the gold yarn and keeping this central. Repeat this process for the next knot.

Note: Due to the fact, that Crafty Fine yarn is recycled from colour-assorted textile material and not re-dyed there can be slight variations in color and thickness. We therefore recommend buying enough yarn for your project. We also advise to use a crochet needle without handle, which is easier to work with. The first stitches might be a little bit hard to work, but you will soon get used, and the final result is worth it.

WASHING ADVICE

Always wash in as warm a water temperature as possible - up to the temperature recommended, with a short spin. Use a lot of water if hand washing. For darker colours we recommend the use of discolouration sheets.

Do not bleach.

Do not tumble dry. Drip-dry on a horizontal surface.

Iron on a hot temperature setting using a damp cloth.

Professional dry cleaning in tetrachloroethylene.
